

## First Congregational Church

Friends,

You matter!

- Your steady, reliable presence and engagement.
- Your generous financial and volunteer support.
- Your personal gifts of concern, care, and compassion, power the ministry, programs, and mission outreach of our congregation.

Thank you!

- Thank you for your devotion to the teachings and example of Jesus Christ.
- Thank you for all the ways you bring energy to the life of our faith community.

Amid constant change and learning how to “be the church” in a variety of new ways, you have responded to the invitation to ***bring your best before God.*** Your steadfastness and leadership in generosity have contributed mightily to the long-term impact and success of our church’s ***ministry and good works.***

Our faith family is now crossing the threshold of our fourth century. ***Carpe Diem*** is Latin for ***Seize the Day.*** Let us now begin to shape the future of our congregation’s presence, witness, and outreach. With great anticipation and joy, we invite you to consider and embrace **VisionFund300+**, a Capital Plus fundraising campaign.

Carpe Diem,

Reverend Dr. James Campbell, the Church Presidents,  
and the Church Council
